MISSION

The Duval County Public School System is committed to providing high quality educational opportunities that will inspire all students to acquire and use the knowledge and skills needed to succeed in a culturally diverse and technologically sophisticated world.

— Adopted February 2, 1988

Mr. Earl Sappenfield

Dear Earl:

In an attempt to create an atmosphere of sportsmanship, no team should be allowed to huddle on the center circle or on the opponent's logo. Taunting or baiting of an opponent must not be tolerated. No team should be allowed during pre-game warm ups to circle the gym before warming up. We further recommend that the two teams be limited to their half of the court and their bench area during warm ups. A technical foul should be assessed for any violation of the guidelines.

Please call me if you have any questions or require additional information.

Sincerely,

Jon Fox
District Athletic Director
