Also fines have been incurred due to missed meetings and the Commissioner will pull games unless paid.

No committees had any reports.

No old business except dues and fines.

New business: asked for more volunteers for Field Clinic, ask for show of hand of our members who plan to attend, at least 30. Explained that volunteers will not be waived clinic fee if they attend. But will be given credit for meeting even though they might not attend all the classes. Only Clinicians will be waived the fee. They must fill out an attendance sheet.

Ask about pay problems, having problems with Fletcher middle school only paying \$30.00 for games, Mandarin Middle and Twin Lakes. Also, if you are overpaid, please let Treasurer know, as you must give overpayment back to school.

During Field Clinic the entire Executive Board is expected to attend and be present both Friday and Saturday. Please plan on those days.

Also, if you are the only official, please call Mac and let him know you worked the game alone.
